News Release

For Immediate Release: September 12, 2018

Water service shutdown extended for customers on Ka'apuni Road in Kapa'a until noon

KAPA'A – The Department of Water (DOW) has extended the water service shutdown for customers located on a portion of Ka'apuni Road in Kapa'a; between Kawaihau Road and approximately half-mile south of Kepano Street on Ka'apuni Road and includes customers located on Alapaki Road, until approximately 12 p.m. on September 12th, weather permitting.

The water service shutdown has been extended in order to allow contractor, Earthworks Pacific Inc. to complete necessary requirements for the new installation of a service connection to the existing system on Ka'apuni Road.

An update will be provided as new information becomes available. To monitor updates online, visit www.facebook.com/KauaiDOW.

The water service shutdown on Ka'apuni Road has been extended until noon on Sept. 12th. The affected service area is highlighted in yellow on the map and includes customers located on a portion of Ka'apuni Road in Kapa'a; from Kawaihau Road to approximately half-mile south of Kepano Street including Alapaki Road.
